What's been going on at Legacy?

We brought in the new year with music, appetizers, and lots of fun. We have Tammy from Mary Kay come in every month and the ladies enjoy hand massages and makeovers.

We also all pitched in and took the Christmas Tree down, along with the decorations. We started making Valentine Day decorations for our tables and they have turned very nice. We have a lot of activities planned for February that will be sure to keep us busy.

Winter One-Liners

It was so cold out there today I saw a man with his toupee upside down.

It was so cold today I saw hens laying eggs from a standing position.

It was so cold the other day I sneezed once and broke my Kleenex.

One nice thing about weather like this, it's easy to find a picnic table.
