Letha Shotwell was born and raised in Bluefield, West Virginia, along with her sister and three brothers. She graduated from Baileysville High School, then went on to obtain her R.N. nursing degree in Lynchberg, VA.

Afterwards, she moved to Jackson, living with her sister and went to work at W.A. Foote Memorial Hospital. She met her future husband, Jim Shotwell on a blind date at Clark Lake. The following year, in June, she and Jim were married at Queen's Catholic Church. Letha and Jim were married for 64 years and have one daughter and two sons. She is also a grandmother to six grandchildren.

Letha also was a nurse at the Girl Scout Camp at Wamplers Lake, Dr. Deming and Dr. Stolberg's office, and 25 years at the Jackson County Health Department. She loves to do social media, Facebook, needlework, crocheting, and knitting. Welcome, Letha! We are glad to have you with us!

George Gallas was born and lived in South Bend, Indiana, along with his three sisters. He graduated from St. Joseph Catholic High School in 1954. He attended Notre Dame for two years for accounting. In 1956, he joined the Navy, stationed in San Diego, CA, on the USS Sperry, as a submarine tender.

He married the love of his life, Carole. They met while still in high school on a blind date at a basketball game. They were married in 1958, while George was still in the Navy. After the Navy, George worked at Bank of America as Operations Manager for four years. Realizing that was not his true calling, he became a deputy sheriff in Santa Barbara, CA. They moved to Ann Arbor, MI, in 1968, where he was employed as a detective with the Ann Arbor police department for 25 1/2 years until retirement. From there he went to work as a funeral home assistant.

George and Carole have two sons (one deceased), two daughters, and three grandchildren. His interests include photography, gardening, traveling, and playing bridge. Welcome to our family, George! We are blessed to have you.

*Summer declines and roses have grown rare.
But cottage crofts are gay with hollyhocks,
And in old garden walks you breathe an air
Fragrant of pinks and August-smelling Stocks.*
