# CONGRATULATIONS!

JANUARY 2023 RESIDENT OF THE MONTH

RAYMOND MELVIN

Ray was born on May 18, 1934 on the family farm in Bloomingdale, Michigan, the youngest of three boys. He is a 1952 graduate of Bloomingdale High School. He married his high school sweetheart, Joyce, on December 11, 1954.

They were married for 61 years until her passing in March 2016.

They had two children, Jeff and Susan. Susan tragically lost her life in an automobile accident in October 1977. Ray's family was the MOST important part of his life and includes his son and daughter-in-law, Jeff and Tammy, three grandchildren and their spouses and two great-granddaughters. Ray loved to hunt and fish, go out to eat and travel with their camper after retirement.

Ray and Joyce purchased an 80 acre farm with a house, barn and garage in May 1955. Over the years, the farm grew to almost 400 acres and several outbuildings along with storage facilities for hogs and grain. Ray could build or fix almost anything except engines, he left that to the mechanics. As a steward of the land, Ray's goal was to leave the land in better condition for the next generation.

He worked long, hard hours, was always willing to help others, was respectful to all people, made many deals with a handshake and loves his Lord and Savior. He wants everyone to know that he has a wonderful family and that he had a wonderful farm.

Ray has resided here since May 2021.
