***Nancy Jacokes*** was born in Jackson. Both Nancy and her sister graduated from Jackson High School. Nancy was employed as a secretary at Consumers Power and also in photo marketing at an International Facility in Jackson. She met her husband, Dennis, when Nancy and her mom went to Dennis' house to take his mother a birthday gift. Nancy's mom was Dennis' father's secretary. As luck would have it on this special day, Dennis was home after getting out of the Navy. He asked her if she wanted to go with him ice skating at Cascades. That was their first date. They dated for two years, and married on May 20th. This year, they will be married 63 years. They are blessed with two sons and a daughter, and three grandsons and one granddaughter. Thank you, Nancy and Dennis, for sharing your special story!

## The Holidays of May

### May Day, May 1

Did you ever dance around the Maypole? Wrapping a Maypole with colorful ribbons is a joyous tradition that still exists in some schools and communities.

Have you ever heard of May baskets? People leave a paper basket or cone containing spring flowers and sweets on each other's doorsteps, knock on the door yell "May basket!" and run.

### Cinco de Mayo, May 5

This day celebrates the history of the Mexican army over the French army at the Battle of Puebla in 1862.

### Mother's Day, May 12

Mother's Day in the United States was created by Anna Jarvis in 1908, and it became an official holiday in 1914. Jarvis would later denounce the holiday's commercialization and spent the latter part of her life trying to remove it from the calendar.

### Armed Forces Day, May 18

Armed Forces Day is the proper day to honor all the men and women currently serving, unlike Veterans' Day (previously observed as Armistice Day—the end of World War I), which honors those who wore the cloth of our nation at war.

### Memorial Day, May 27

First known as Decoration Day, it originated in the years following the Civil War and became an official federal holiday in 1971. Many Americans observe Memorial Day by visiting cemeteries or memorials, holding family gatherings, and participating in parades. Unofficially it marks the beginning of the summer season.
